# PETITION FOR THE ELIMINATION OF THE PORTIONS OF THE DRAFT MARIN COUNTYWIDE PLAN WHICH ENCOURAGE RESIDENTIAL DEVELOPMENT IN THE "COMMERCIAL & COMMERCIAL/ MIXED USE LAND USE CATEGORIES"

**Due to constraints based on hazardous conditions (fire, flooding, high liquefaction, high seismic activity, subsidence, and projected sea level rise), unacceptable traffic levels, and limits of infrastructure and public services, we, the undersigned, are opposed to new residential development in the commercial areas of Tam Valley and Almonte. Therefore, we request the elimination of the portions of the Draft Marin Countywide Plane which encourage residential development in the "Commercial and Commercial/ Mixed Use Land Use Categories".**
